

## Year 2010

- Over 1000 tree saplings were planted during Oct 2010 under the 'Green Initiative - Bangalore 2010' organized by the Lalit Suri Hospitality Group in association with Rotary Club, Bangalore. Our role was facilitated through Prof. B. S. Jaiprakash.
- 3-day National Workshop on ADVANCED IN MATERIALS RESEARCH from Aug 25th to 27th, 2010 organized at the Bidlur campus, convened by Prof. K. J. Rao and inaugurated by Prof. N. Mukunda. Attended by various eminent speakers from institutes in and around Bangalore, the meeting covered various topics in materials science including synthesis, design, characterization and development of new materials; green chemistry; vibrational structure studies of molecular materials, polymers, energy storage materials, metal-matrix components and ceramics.
- First Founder's Days Meeting: Atoms, Light and Qubits, July 1, 2010, attended by Prof. C. Sivaram and Prof. Bhanu Das of Indian Institute of Astrophysics, Bangalore, and Prof. Sadiq Rangwala of Raman Research Institute, Bangalore.
- Prajnaamrita Meeting on Cryptography based on Chaos, Number Theory and Quantum Mechanics; June 14 and June 17, 2010.
