

# Poornaprajna Institute of Scientific Research

(Promoted and managed by Adamaru Mutt Education Foundation (AMEF) & Recognized by the Department of Scientific and Industrial Research (DSIR), Govt. of India)

Bidalur, Devanahalli, Bengaluru – 562 164, India. ([www.ppisr.res.in](http://www.ppisr.res.in))

Poornaprajna Institute of Scientific Research (PPISR) is promoted and managed by AMEF. PPISR was established in 1998 and building was inaugurated in 2003 to create an environment for Scientists to pursue fundamental research in Pure and Applied Sciences by then Pontiff of Adamaru Matha, His Holiness Shri Vibudhesha Theertha Swamiji, as 'A center where scientists would be involved solely in research and training doctoral students'. Now the current Chairman of PPISR has expanded the subject areas of PPISR to multidisciplinary and interdisciplinary areas of natural, social and philosophical sciences.

With over 400 scholarly publications, 31 Ph.D. awards, 11 MOUs signed for research collaboration, 8 patents published/awards, and 45 sponsored research projects, Poornaprajna Institute of Scientific Research has contributed to achieving its objectives. In addition to in-house research, the Institution holds collaborative research under numerous sponsored projects, MOUs with various Universities and Research Institutes. PPISR also providing technical assistance and knowledge sharing among research networks through its Poornaprajna Analytical Center (PAC). With the intention to broaden the research activities, now PPISR offers Poornaprajna Post-Doctoral Fellow (PPDF) Certificate programme, Poornaprajna Senior Research Fellow (PSRF) Certificate programme, and Poornaprajna Junior Research Fellow (PJRF) Certificate programme, from the year 2024.

## Poornaprajna Junior Research Fellow Certificate Programme

**ADVANTAGES of DOING Poornaprajna JRF Certificate Programme at PPISR:**

### 23 Reasons Why you should do Poornaprajna JRF Certificate Programme at PPISR)

- (1) Prestigious Certification: Earn a PJRF Certificate from an internationally renowned institution as a recognition of your research achievements along with regular UG/PG programme.
- (2) Scholarly Publications: Secure the opportunity to publish between one to three high-impact scholarly articles under your name, enhancing your intellectual property portfolio (IPR).
- (3) Conference and Book Chapters: Publish a conference papers or book chapter, complete with DOI, ISBN, and Google Scholar indexing, all credited to your name.
- (4) Edited Book Publication: Transform your PJRF report into a published edited book, adding to your list of intellectual property achievements (IPR).
- (5) Copyright Honors: Receive one to three copyright awards from the Government of India's Copyright Office, further establishing your intellectual property credentials.
- (6) Best Research Performance Award: Compete for the prestigious Best Research Performance/Publication Award at the PPISR Annual Research Conclave.

- (7) **Patent Support:** Benefit from comprehensive support in patent awareness, submission, publication, and even the attainment of patent awards (IPR).
- (8) **Research Collaboration:** Foster institutional research collaboration between PPISR and your home institution (College of study), contributing to NAAC/NBA accreditation requirements.
- (9) **Alumni Status:** Upon completion of your PJRFC programme, join the distinguished ranks of PPISR alumni, with lifelong recognition.
- (10) **Lifetime Library Access:** Enjoy lifelong, free membership to the Poornaprajna Online Digital Library, supporting your continued research endeavours.
- (11) **Free Publication Opportunities:** Take advantage of free journal and conference publication opportunities of Poornaprajna Group, with open access, DOI, and indexing included.
- (12) **Copyright Ownership:** Retain the copyright of your research articles, firmly establishing your authorship.
- (13) **Networking Opportunities:** Connect with other JRFs SRFs, PDFs and mentors on both national and international levels, expanding your professional network.
- (14) **Distinguished PJRF Certification:** Stand out from other UG/PG students with your PJRF certificate, enhancing your prospects for promotions and career advancement.
- (15) **Invited Speaker/Paper Presenter Opportunities:** Seize the opportunity to become an invited speaker/Paper presenter at Poornaprajna Group Conferences.
- (16) **Collaborative Research Projects:** Collaborate on research projects with PPISR mentors, opening doors for joint publications and innovative research.
- (17) **Lifetime WhatsApp Group Membership:** Stay connected with lifelong membership in the PPISR JRFCs WhatsApp Group, ensuring ongoing collaboration and support.
- (18) **Collaborative Publishing:** Collaborate and co-publish with other PJRFCs through their professional networks, further expanding your research impact.
- (19) **Flexible Admission:** Enjoy the flexibility of anytime admission to the PPISR JRFC programme, catering to individual research aspirations.
- (20) **Advanced Degree Applications:** Utilize your PJRFC publications towards achieving admission to advanced degrees such as PG/PhD at other universities in the future.
- (21) **Research Social Media Mastery:** Receive specialized training to master the use of research social media platforms like ResearchGate, SSRN, Google Scholar, Semantic Scholar, and RePEc.
- (22) **Campus Stay Opportunity:** Option to stay at the PPISR Campus in Bangalore for two to four weeks, engaging with other scientists and enriching your research experience (with additional fee).
- (23) **Brand Association:** Associate yourself with the prestigious Udupi Poornaprajna brand, enhancing your professional credibility and recognition.

### **Responsibilities of JRFC Scholars:**

- (1) **Publishing Requirements:** As a JRFC scholar at PPISR, you are expected to publish at least one scholarly articles in Journals/Conference Proceedings/Edited Books indexed by Google Scholar, UGC-CARE, WOS, or Scopus, during your one-year JRFC programme.
- (2) **Research Leadership:** You will serve as a coordinator for a Micro-Research Centre, working closely with your mentor to drive research initiatives at PPISR.
- (3) **Publication of JRFC Report:** After receiving your PJRF certificate, you will be required to publish your PJRF report as an edited book, complete with an ISBN and DOI.
- (4) **Annual Research Conclave:** Your active participation in the PPISR Annual Research Conclave is a vital part of your PJRF journey.
- (5) **Invited Paper Presentation:** You will deliver an invited paper presentation, either online or offline, at the annual PJRF Conference, and your work will be published in the PPISR Edited Annual Research Book.
- (6) **Networking and Collaboration:** Build connections with fellow PJRFC members through the PPIR WhatsApp Group, sharing your contributions and important research updates.
- (7) **Colloquium Attendance:** Attend various research colloquiums across multidisciplinary subjects, featuring talks by eminent scientists and researchers, either online or offline, throughout your PJRFC duration.
